

Project Modification Request Form ARC.2B

EXTERIOR HOUSE COLOR

(Article VIII Use and Restriction Rules 8.23 Exterior Colors)

Homeowner Name: _____ Date: _____

Please Print

Address: _____ Daytime Phone (s) _____

Email: _____ Cell/Mobile _____

Please provide the following information:

1. Photograph of both the front and back of your home—including "line of sight" from the golf course if your home backs to the golf course.
2. Photograph of, or a sample of your roof color AND a photograph of your house with view of neighbors' homes on each side.
3. Provide the manufacturer name, the color name, and the color numbers for each area to be painted. i.e. color names for the body, trim, shutters and door of the home.
4. Sample of paint colors to be used. You must submit the actual paint color on a 5 x 7 sample sheet to the office. (neutral and earth tones are required when applicable). For example, if you are painting siding then you should paint the color on a piece of wood siding, vinyl or other material with a neutral or white background (do not paint on colored paper or cardboard as this will not provide a true color sample). Deliver the sample to the office along with your request. Photographs or email of paint colors are NOT acceptable
5. IF YOU ARE REPAINTING/STAINING YOUR HOUSE THE SAME COLOR(S) THE ARC DOES NOT NEED TO APPROVE.

Explanation of Project – Please tell us about your project:

Please deliver this form AND the **signed MAIN ARC Request for Modification and Release Form** to the BridgeMill Community Association Office. *Be sure your color samples are included, and have your name and address*

Do not begin your project until you have received the written approval from the Architectural Review Committee and your "golden ticket" for display.
